

FUNDING

The project described was primarily supported by Grant Number YIG-0- 034-15 from the American Foundation for Suicide Prevention (AFSP). Research reported in this publication was also supported by the National Institute of Mental Health (NIMH) of the National Institutes of Health under award number 1K23MH123760 which provided support for Dr. Fineberg's research-focused effort toward training in clinical research, and by CTSA Grant Number UL1 TR001863 from the National Center for Advancing Translational Science (NCATS), a component of the National Institutes of Health (NIH). This work was funded in part by the State of Connecticut, Department of Mental Health and Addiction Services and by the Yale University Department of Psychiatry. The contents of this publication are solely the responsibility of the authors and do not necessarily represent the official view of AFSP, NIH, Yale University, the Connecticut Department of Mental Health and Addiction Services, or the State of Connecticut.
